Environment  
and Planning

Dear Resident

**PROTOCOL FOR THE CONSULTATION AND DETERMINATION OF TREE WORK OPERATIONS TO TREES ON CITY COUNCIL OWNED LAND.**

**Consultation of Tree Works: Major Tree Works Operations:**

**Location: Alexandra Gardens**

You are advised that the following is a list of tree works proposed for trees growing on land owned by the City Council. This list is prepared for your information and to allow you to comment upon the proposals. If you would like more details please e-mail [Diana.ovviatt-ham@cambridge.gov.uk](mailto:Diana.ovviatt-ham@cambridge.gov.uk).

Representations are welcomed from the public and may be received on any grounds, including amenity and arboricultural. You must clearly identify the particular tree, trees or groups of trees to which your comments refer. The Council will respond to any comments and seek to resolve any concerns or objections. Where objections cannot be resolved the matter will be determined by Members in accordance with the City Council's Tree Works Protocol. In this instance the matter will be considered at the next meeting of Planning Committee on 20 October 2010 and thereafter by Community Services Scrutiny Committee meeting.

I would be grateful to receive any comments you may have by **5 October 2010**.

Yours sincerely

Mrs Diana Oviatt-Ham  
Principal Arboricultural Officer
